

# ***INDIVIDUAL EVENTS REGISTRATION FORM***

## ***INSTRUCTIONS***

Please read the Individual Events Guidelines and Rules thoroughly before completing this form. Remember that each troupe can register only one entry per category in the competition and that each student can compete in one event only. Each participant must be registered for the entire conference. There is a \$5.00 entrance fee per participant. If two or more troupes combine to register an entry, that entry counts for both/all schools involved.

Each school must provide two adult helpers, one of whom is willing to judge, in order for that school's entrants to compete. Please see FAQ section of Guidelines and Rules packet for adult job descriptions.

- ρ In categories 3, 6 and 11 enter up to sixteen (16) names.
- ρ In category 12, you must construct a costume fulfilling the requirements presented under NIEs at <schooltheatre.org>
- ρ In category 21, one entrant will be assigned a Readers' Theatre performance time and space. That playwright will be notified at least two weeks prior to Conference so that a cast can be chosen and prepared. All entrants will receive written feedback from the judge with their troupes' exit packages on Sunday. Submit the play with this form by February 8, 2012.
- ρ In category 22, one entrant will have the film shown during the Conference. Submit film (DVD format is preferred) with this form by February 8, 2012.

Please type in information or print legibly in **BLACK INK**. This form is the basis for spelling on awards.
