

8th Annual Ohio Unified Theatre Interviews & Auditions

Accepting submissions Dec 1- Jan 10

Students wishing to study theatre as a major or minor at a college or university in the fall of 2021 are invited to register for this once-a-year opportunity.

WHY PARTICIPATE? Acceptance into top theatre programs can be extremely competitive with many students auditioning and interviewing for a limited number of spots. Ohio Thespians' annual Ohio Unified Interview and Audition Day allows students the chance to be seen by numerous programs using a single simple application. For a complete list of schools participating in previous years, please visit us online.

Any future or current high school graduate with aspirations to major or minor in theatre arts in fall 2021 can participate. Transfer applicants and students located outside of Ohio are welcome. Membership in Ohio Thespians or the Educational Theatre Association is not necessary.

AUDITION REQUIREMENTS: *All:* General application, theatre resume, academic resume (optional), and current photo. *Design/Technology/Management/Directing/Writing application:* Interest statement (written or recorded) and a portfolio of your work. *Acting Focus Performance application:* Two contrasting monologues (Four minutes max), and option wild card. *Musical Theatre application:* Two contrasting 32-measure cuttings of musical theatre, director repertoire, one 60-second monologue, optional dance video, and option wild card.

COST: \$35.00. Financial aid is available.

WHEN: Submissions are accepted between Dec. 1 through Jan. 10.

WHERE: Virtual

Contact Matt Wolfe at mwolfe@ohiothespians.org for more information. The list of colleges participating this year will be finalized in January.
